

HEALTHY FAMILIES

About the Program

Healthy Families is a free home visitation program designed to promote parenting education and healthy child development up until age 5. This program is designed to empower families to be self-sufficient through individualized parent coaching and support.

Areas of Focus:

- Child development
- Parent, family & early childhood health/safety education
- Promoting positive parent-child interaction

To learn more about eligibility requirements for this program, contact a Maternity Navigator at 772-268-7420 or 772-268-7474.
